### **Protecting your money**

#### ***Packages that include a flight, our ATOL membership***

When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means to you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some case, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

**Travel Insurance**

Having adequate travel insurance for all members of your party is a **condition of booking**. We do not include travel insurance with your booking, nor can we recommend policy to you. **European Health Insurance Card (EHIC)**

The European Health Insurance Card (EHIC) is available to UK Residents travelling temporarily to an EU country. It provides travellers with free or cheaper medical treatment provided by the state healthcare scheme in the EU country you are visiting. ### **Where can I find passport information?**

Visit the [HM Passport Office](#) website for detailed, up-to-date information on passport validity, renewing and applying for passports. If you're a British citizen, you need a full, 10-year British passport for all holidays featured. Ordinarily holiday companies and the UK Passport Office suggest that passports should be valid for at least 6 months after you return. Each country, however, sets its own rules covering this. More information can be found from the embassy or consulate of the country you plan to visit.

### **Visa requirements**

#### **Geneva Airport**

Non-EU and EEA passport holders should note that transfers for flights arriving into Geneva leave from the Swiss side of the airport and it will be necessary, therefore, for you to obtain the relevant visas. Failure to do so will necessitate having to pay for your own transfer.

#### **How do I find out about visas?**

For full details of any travel restrictions, entry and stay requirements, visa and travel advice to your destination, visit the [Foreign Office](#) website. Visas may be required for entry into non-EU countries. Information about visa requirements may be found by accessing individual country pages on the Foreign and Commonwealth Office website. Non-British citizens including other EU nationals should contact the embassy, high commission or consulate of the destination for up to date advice on immigration, visa and entry requirements.
